

Simpsonville Arts Foundation Inc (SAFI)

Artist Membership Application

With the continuing growth of the greater Simpsonville community and the success of the new Simpsonville Arts Center, the performing and visual arts scene in our area is destined to expand.

As we enlarge the presence of the arts in the Simpsonville Community, we would love to foster mutually beneficial relationships with local artists. The Simpsonville Arts Foundation's vision is: *To help make Simpsonville known as a vibrant "Arts City", that is supported by businesses, artists, and the local community; and to establish Simpsonville as the premiere community for a vibrant scene for the visual and performing arts.*

To help us further the arts in Simpsonville and to establish working partnerships with local artists, we have developed a SAFI membership category for local artists. As an "Artist Member", for only \$25, you will be featured on our website and Facebook page in our listing of local artists. You will also receive the first invitation to any artists' opportunities for special events in Simpsonville that are sponsored by SAFI. Plans include offering a quarterly "Featured Artist" section on our website (safiarts.com). This will be your opportunity to share your story, talent, and creative art. The cost to be a Featured Artist will be an additional \$50.

If interested, please complete this *Artist Membership Application*, and return with your annual fee of \$25. Please mail form and payment to Simpsonville Arts Foundation Inc. P.O. Box 1433 Simpsonville, SC 29681
